FRANZISKA

orgasm addict

Hi, I'm Marissa the intern. When Franziska first appeared in BARELY LEGAL (November 2008), she was a high school senior with braces who knew what she wanted from life—to have lots of sex!

Hey, Franziska! How does it feel to not have braces?
Great! I can eat anything I want—including lots of cock! LOL!
Tell me about your experience shooting for *Real College Girls*.
It was awesome. It was me and this hot blond girl having sex on top of a washer and dryer. Talk about vibrating! Mmm...
What kind of girls do you like?
Hot ones! I like blondes. I like brunettes, too.
Do you prefer guys or girls?
Both! I love girls. They're so beautiful. They're, like, the opposite of men, but I love guys, too—especially manly men.
Do you like nude modeling?
It's a lot of fun. I'm, like, touching myself all day long. I get *really, really* horny after a shoot.
Why did you decide to get into porn?
I always knew I'd be a porn star. I'm, like, *addicted* to sex. It's all I can think about. All I wanna do all day long is fuck, fuck, fuck. And now I can! ★

AGE: 19
HEIGHT: 5-6
WEIGHT: 105 POUNDS
MEASUREMENTS: 32A-24-34
HOMETOWN: SAN DIEGO, CALIF.

Franziska stars in Hustler's Real College Girls #49

PANTY CONTEST WINNERS

Announcing the results of our May 2010 Panty Giveaway contests! N.E.P.'s lust-filled letter to Melanie Jane totally turned us on and won him the prize while S.J.M. actually went and did research on Nicole Ray. He gets extra credit—and her undies!

Dear Melanie Jane,
I must say that your seductive eyes leave me breathless. Your voluptuous lips, lustrous hair, radiant skin and lively little breasts, as well as an incredible ass and very beautiful pussy—you are the ideal beauty. I find myself awestruck that someone who looks so angelic would fill me with so much lust.

We will never meet, but I will picture myself with you. I would kiss you down your smooth, elegant body and slowly peel down your panties. Then I would lick your clit and slide two of my long, flexible fingers into your pussy until you came and my face was covered with your luscious juices. I would stuck my large penis into your tight, flawless pussy and fuck you for hours. It would be rough—someone would have to refurbish the place when we are done, because, honey, we have been given this gift of pleasure, and life is too short for us to waste it. So let's make the most of it, babe.

One of your fans,
N.E.P.
Maryland

Dear BARELY LEGAL,
I've seen jerked off to, come on lots of girls in your magazine and have thought about entering other panty contests. However, I never did until now because Nicole Ray is the most beautiful, hottest, cum-eating girl I've ever seen. I don't have the money to buy any of her movies, but I did look her up on the Internet and fell in love with her even more. I loved seeing her in solo pictures and hardcore pictures, but most of all, I found a site that showed her being covered in cum and imagined doing that to her myself.

If I won her panties, the first thing I would do is sniff them and stroke my cock with them until I shot my load. I've only come on her picture one time, and that was on her face on pages 92–93, 'cause I don't want to ruin her layout to the point that I can't look at her anymore. So instead, I've got a pair of panties that I come inside of on the crotch, dreaming about doing that to her panties if I were to win them. If I could say anything to Nicole Ray it would be that she is beautiful and my dream girl, also I would love for her to grow her bush back.

Dear Lindsey,
I just received my third edition of *All Bush*. This was the best one ever! I always try to pick my favorite girl from your magazine. This time, it came down to two girls, Polly and Parker. I tried to pick my favorite of those two, but I just couldn't do it. I guess I'll just have to say I love them both equally. MORE PLEASE!

L.P. of California

Your wish is our command, L.P.! Check out the exciting news on the next page.
—Lindsey

Dear Lindsey,
I want to say that you have the best magazine on the stand. I really enjoyed the *All Bush* special issue. It was totally awesome.

R.P.
Oklahoma

"Special issue" as in one special issue? That means you're missing two volumes, R.P.! But don't worry, 'cause if you or anybody wants to complete their furry-coochie collection, all three past issues of All Bush are still available. You can order them online

at HustlerMagazine.com/ShopMagazines or you can send a check or money order for $15 each to: LFP Publishing Group 8484 Wilshire Blvd. Ste. 900 Beverly Hills, CA 90211; Attention: H. Nguyen. For credit card orders call 1-800-763-8271 ext. 7651 (No international orders—sorry!)

Dear BARELY LEGAL,

I purchased one of your other publications, BARELY LEGAL All Bush, the one with Lexi Belle [volume 3]. There was no letters [department]. Hopefully this will get to someone in control of content.

I appreciate the effort to portray hairy girls. That is why I bought your mag. I'm sick of bald pussy. But your headline ALL-NATURAL. ALL FURRY was a huge stretch of the truth! You had 11 girls. Five were pretty hairy, not super hairy, and six were trimmed. And Lexi Belle "I'll never shave." What a lie! Half her pussy is shaved off! You call that little triangle a hairy pussy? Same with Minami, half her pussy is gone!

Are you telling me you can't find 11 hairy pussies? Put out a call for super hairy, untrimmed pussies, and pay them extra. Quit ripping us off with your All Bush edition.

Tired of Liars

Well TOL, even though we don't actually appreciate being called liars, we do appreciate that you took the time to write, so you deserve a reply. Okay—yes, we do call Lexi Belle's "little triangle" a hairy pussy! In fact, there are a lot of readers who write in asking for bush who are all "But only if it's trimmed, not like a jungle."

Of course, other readers like you write in and ask for no trimming and more jungles. So what can we do? The answer is variety! Just like the mag has all types of girls, it also has all types of bushes.

I hope that explains it—and I hope you won't call us liars anymore!

—Lindsey

Dear BARELY LEGAL,

Want you to know that I love the All Bush editions. I think the more hairy, the sexier. Would love to see more of Parker [All Bush #3] and Willow [BARELY LEGAL, January 2010]. Parker is my favorite. Keep up the wonderful work. More hair.

R.M.
by Internet

We're always trying to give you more hair, R.M.—and we totally scored this month! Check out neat 'n' trim Nadia on page 58 and super furry Victoria on page 82.

—Lindsey

Hey Lindsey,

I am somewhat new to BARELY LEGAL. The January 2010 issue was my first. I did enjoy it and have purchased the ensuing five issues. Since then I have begun to read the letters, and it seems to me that some of these people are GOOFY!!! It is especially GOOFY to write in about one layout or picture! If you don't like it, don't look at it!! I, however, am about 99% pleased with your product.

I really like the both-hands-on-butt-cheeks (spreading) shots. Nicole Ray in the May issue shows a great butthole shot, and you look at the next shot, and she has her finger two knuckles deep in her asshole!

I like full-body naked shots. I also like it when the model appears to be aroused and her pussy gapes open without her help. Stella [January 2010], Dana [May 2010].

Finally, what I would like to know is—is the girl I see every month in Inside a BARELY LEGAL Girl you, Lindsey? If it is, I WOULD LIKE TO SEE MORE OF YOU!!!!

G.R.
Illinois

Welcome, G.R.! We are totally thrilled that you are 99% pleased—the only thing higher is 100%, and that's impossible. We promise to keep bringing you spread butthole and gaping coochie all year long. (And yes, that's me!)

—Lindsey

Hey, hairy-coochie connoisseurs! You asked for more muff, and you got it. Look for the fourth furry volume of Best of BARELY LEGAL Presents: All Bush on newsstands July 6!

If you can't find the latest All Bush at your local newsstand—don't worry. You can order it online at HustlerMagazine.com/ShopMagazines, or you can send a check or money order for $15 to: LFP Publishing Group, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211; Attention: H. INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Sniff. 'Scuse me, you guys. I always get a little teary-eyed when BARELY LEGAL has an anniversary. But my eyes aren't as wet as my cooch! Dang, we have some cute girls helping us celebrate our 17th year.

First there's our sex-addicted cover teen, Franzeska. I thought she was hot the first time she was in BL back in November 2006. Now that her braces are off—wow! I wish I had a penis I could stick in her mouth. (It's what she wants!)

Adorable Amber Sun wants it rough—and she's got long red hair just perfect for pulling! Now flip to the glorious booty of Emma—that girl could teach us all a thing or two about butt sex. So could Mati—although she *prefers* double penetration. (I think I almost just fainted.)

You guys say you're totally into our new feature, BARELY LEGAL Classic. Well, you're going to love the big boobs and bush on Paula, from September 1998. There hasn't been a girl like her since—actually, this very issue! Check out Victoria—she's definitely a future classic.

In fact, I think this *whole* issue is a future classic—at least that's what my pussy is telling me.) What's it telling you guys?

VALERIE

photography by sage chicks

Howdy. I'm Marissa the intern. Luscious Latina Valerie just busted outta high school and is totally new to modeling, but you wouldn't know it from these pics!

Hey, Vall. How would you describe your personality?
I'm outgoing and fun to be around. I'm a total people person.
What made you get into modeling?
I've always been curious about it. I'm a very sexual person and not shy at all. I thought it would be hot to pose naked.
So, do you like it? Does it make you hot?
Yeah, it's awesome. But I get even hotter being naked when I know I'm not supposed to.
You mean like in public?
Mmm-hmm. I like to flash the boys every now and then. ;)
What part of your body do you consider your best, and why?
My waist and my hips. I love having curves. It drives the boys crazy!
What do you look for in a guy?
Personality and a sense of humor. I never look for a physical attraction. Just because a guy's hot doesn't mean I want to go out with him.
Are you bisexual? If so, what kind of girls do you like?
I like skinny girls with, like, small perky boobs and a nice firm butt.
What was your best time with another girl?
I went to a pool party, and I was in the Jacuzzi with this really cute blond girl and she put her hand down my bottoms and rubbed my clit until I came right there in front of everyone!
How often do you masturbate?
Maybe twice a month—by myself. But my favorite thing is to masturbate while I'm getting fucked.
What's your favorite sexual position?
Doggy-style. It makes it easier to touch myself while being penetrated.
What's the naughtiest thing you've ever done?
Different party. I fucked a guy outdoors, basically in public, but we were in the back and I don't think anyone saw us!
What's your ultimate sexual fantasy?
To have sex on top of a horse. I love riding horses. I feel this thump in my vagina whenever I wrap my legs around such a powerful animal. *Awww*, yeah!★

PAULA

ripe for punishment

SEPT. 1998
BARELY LEGAL
CLASSIC
photography by richard kern

Paula, an alumna of the November 1997 BARELY LEGAL (Paula, *Picked Sweet*), pretends she's a good girl. She goes to church and dresses conservatively. After the service on Sunday, Paula walks through the park and says hi to the nice man walking his dog. Paula looks innocent, but it's a lie.

Paula promises every day that she won't do it again, but she can't help it. She smiles at the stranger, she invites him back to her home.

Paula takes her clothes off for any man. She knows it's shameful, but there's only one thing that will make her feel better. Paula wants it so hard, it will hurt. Paula wants to be punished for her wicked ways. Paula begs the stranger, "Please don't hold back—I deserve everything that's coming to me." ★

SHAYE

most likely to do porn

Hey, it's Allie the intern. Shaye looks like the girl next door, but she's got a total naughty streak—like, *really* naughty.

Hey, Shaye! What were you like in high school?

My mom totally watched me like a hawk growing up, so I behaved myself. Like, I was on pep squad and got As and Bs and did glee club. Now that I'm out of the house—look out!

Have you gone *completely* wild?

Well, I'm making porns, so—yes!

How did you get into porn?

As soon as I started having sex—which wasn't that long ago, actually—I *loved* it. I wanted to do everything, like, right away. Porn seemed like the perfect job 'cause I get paid, and I get to try new things.

Like what new things?

Like sex with a girl. Girls are hot!

What's your favorite sexual activity?

So many favorites: giving BJs, getting eaten out, getting fingered—especially in public, like under the table in a restaurant.

What's the wildest sex you've ever had?

I once had sex with two guys at the same time—plus, I was blindfolded, so I didn't even know who was doing what!

What's your ultimate sexual fantasy?

To be a harem girl and have to do anything and everything my master tells me.

What are your plans for the future?

To make lots more movies! ★

HOME SWEET HOME

A BARELY LEGAL CONFESSION BY HALEY SWEET

PHOTOGRAPHY BY SAGE CHICKS

Hi all! It's good to be back. In case you missed my last spread (*Haley, Old Enough*, April 2009), then hi. I'm Haley. I'm 19 from Norman, Oklahoma. I love modeling and acting, but also, I'm in college now. Studying is hard sometimes because I love going out, so I have to learn to be more disciplined. But I want to earn my associate's degree in radiology technology so I can use my body and my brain. I won't lie, though—the body part is WAY more fun. I kind of hate to study.

I don't have a serious BF, but I'd love to meet someone special. I love strong, unique guys who aren't afraid to be themselves.

I came to California for the modeling work, and I love it here, but sometimes I get homesick for Norman. I love my mom and dad, and my old friends. So I took a few weeks off to spend in Oklahoma. Visiting home is important. I can't forget my roots—I'm a down-home girl at heart!

The first thing I did when I arrived home (after hugging my parents and scarfing some home-cooked pot roast) was to call my very best friend, Alison. We've been BFFs since fifth grade, and she is the greatest! She's as pretty as Lauren Conrad, but without all the expensive clothes and makeup. Most importantly, she is the world's most fun and sweet person. I was like, "Ali! Come spend the night. We'll have a slumber party." And she was like, "Totally!" I was sooo super excited.

We holed up in my bedroom and watched *How to Lose a Guy in 10 Days* and gorged ourselves on Sour Patch Kids. We laughed and drished on celebs, and then the strangest thing happened. We totally had sex.

I guess it sounds weird that I made it with my BFF. But she's gorgeous, and we're already close, and besides, sometimes girls make me horny.

We were flopped out on my bed in our undies and cami's. I was like, "When did your boobs get so big?" And she was all "I had this crazy growth spurt after I turned 18, but only in my boobies!"

"They're awesome," I said. "Can I see?"

Alison sat up and pulled off her tank top. They were pretty much perfect: the size and shape of grapefruits, with rosy little nipples.

"Wow. I'm jealous. Mine are tiny in comparison."

"But they're so cute!" Alison said. "Let me see."

I took off my cami. We sat cross-legged, facing each other, wearing nothing but panties.

"Adorable." She pressed her palms to my chest. My nipples hardened. I cupped hers. They were warm and heavy in my hands. My clit swelled.

"Can I lick them?"

Alison stretched out on her back. She squeezed her tits together. "Go ahead."

I slid my belly between her legs and flicked my tongue against her hard, pink nip. She tasted like flowers. I pulled her tit into my mouth and sucked. I wanted to taste more of her. I ran my tongue down her smooth belly, pausing to remove her undies. I licked her bald, pink mound, poked my tongue between her labes. I wiggled the tip of my tongue against her swollen clit, then lapped it slowly, up and down. Ali moaned and bent her knees. Her legs opened, her pussy spread. I poked my tongue into her hole. She tasted so good, like the ocean, like a tropical island. My pussy was pounding.

"I'm gonna fuck you," I panted, sitting up. I planted my

feet on either side of her waist and pressed my cooch against hers. We were both soaking wet. Ali sat up. We balanced ourselves with our hands behind us, legs bent. We pumped our hips. Our pussies slid against each other, clits bumping, labes swollen and slippery.

"I'm about to come," Ali gasped, throwing her head back. I was coming too. We moaned and thrashed, pussies smacking, wet and sticky.

I squealed. "Here I go, here I go, yeaahhh!"

Ali's coochie vibrated against mine. She bit her lip and fell onto her back, hips bucking wildly. "Yes, yes, here it IS!"

Omigod, we were so noisy! I was kind of freaked that my folks heard us, but when we joined them in the morning for pancakes, they acted totally normal. Whew. But even if they had busted us, it was still worth it, I think.

Having sex with a BFF could totally weird out the friendship, but not for Ali and me. We continued to hang out every day—going for ice cream, hitting department stores to sample perfume and expensive lipstick. We got pedicures. Ali told me about her boy.

"Ali and I sat facing each other, wearing nothing but panties."

"His name's Drake. We met at the Dairy Queen. He's hot."

I wrinkled my brow. "Why didn't you bring him up sooner?"

Ali shrugged as a little Vietnamese lady painted her toes with hot-pink polish.

"I mean, you and I had that thing right when you got here, so I've been like, I don't want Haley to feel jealous or lame. But I know that's totally stupid, 'cause nothing's changed. You're still my BFF."

I guess Ali had secretly weirded out a little bit, but not in a bad way. She went on about Drake.

"He installs cabinets and carpets, stuff like that, for a living, but his dream is to be a sculptor. He's really good with his hands." Ali paused. "Also, like—what do you think about older men?"

"They're cool. How much older?"

"Lots. Drake's 38. But we are so super connected." Ali smirked, looking all sly. "He has this friend, too, Jacob. He has a farm and raises, like, organic vegetables and chickens. He's totally sexy, though, not country or anything. He's just, like, rugged. I think you might like him."

"Sure," I said. "I'm open-minded."

That Sunday, Jacob had us out to his farm for a barbeque. It was beautiful there, big trees and a pond—even a horse! And Ali was right. I was totally

into Jacob. He was super masculine and sexy and just like, confident. I love a guy who's like. That is who I am. Like he's comfortable in his skin and has no one to impress. It makes me feel, I don't know—womanly.

We ate pulled pork and corn on the cob and drank Budweiser from the can. Drake was cool too, and totally into Ali, which is awesome because she deserves the best!

It started getting dark. Jacob built a bonfire and spread out a blanket. We made s'mores. Drake set up a boom box and pumped up some Dave Matthews Band. Ali danced around the fire. She'd had a few beers.

"I know what we should do," she said. "Let's all get naked."

Drake didn't miss a beat. "Hell yeah, everybody!"

The next thing I knew, Ali and Drake were full-on buff grooving to Dave Matthews, skin glowing in the firelight. I felt kind of awkward for a minute (yes, sometimes I can be shy), since Jacob and I had only just met but I was definitely down with the idea of seeing his hot bod naked. He turned to me, totally unfazed.

"You up for it?"

My cheeks flushed, my heart leapt. "Sure." I acted all cool like it was no big thing.

We stripped. Jacob was tall and built, with a broad, furry chest.

"You're beautiful," he said. My pussy was, like, instantly wet.

It wasn't long before we were making out. Alison and Drake were already going at it, writhing and grunting on the bare grass. Jacob and I stretched out on the blanket. He pulled me close into his arms. We kissed. His fuzzy chest tickled my nips.

"You've got an incredible ass," Jacob whispered, his big hands cupping my buns. His fingers crept between my cheeks, spreading them. He continued down, parting my labes and wiggling his finger into my wet hole. My body throbbed.

Jacob's cock was rock-hard. He slid up and down the little space between my thigh and cooch. We were wet with pussy juice and pre-cum. On the other side of the fire, Ali and Drake were having some crazy sex. I could see their silhouettes through the flames—Ali was on her hands and knees, Drake pounding her doggy-style. I could hear their skin slapping.

Jacob pressed his mouth to my ear. "I want to eat your pussy."

I groaned. "Oh God, yes."

He rolled me onto my back and pushed my knees to my head. His tongue plunged into my hole. He slurped, his lips wrapped around my lips. He sucked. My clit quivered in his mouth. He dragged his tongue down in a straight line and licked my ass. Don't think it's gross—getting your butt licked is amazing!

"Don't stop," I moaned. He tongued my tootie. I held on to my shins, squirming. Still licking my ass, he drummed his fin-

gers against my pussy. It was almost too much. I was close to a full-on ass gazz, but I didn't want to yet.

"Hold on," I gasped. "I want to feel your dick."

Jacob climbed up and aimed his cock at my mouth. "Suck it."

I opened wide. He slid it in. I closed my lips around the shaft. His cock was so big! He pumped up and down, totally fucking my mouth. His dick head jostled my tonsils. Pre-cum dribbled down my throat. His balls flapped against my chin.

"You like that don't you," he growled.

"*Mmmph-hhhmph*," I mumbled around his dick.

top of her man. Her big boobs jiggled. That turned me on fierce. I reached over and squeezed her tits. She cupped her boobs, raising them to her mouth and licking her nipples. Watching Ali's tongue flick sent me over the edge.

"I'm about to come," I moaned, bucking harder and faster. Jacob wrapped his hands around my waist, his fingers digging into my skin.

"Come," he panted. "Come on my dick."

I squeezed my eyes shut and bit my lip. My pussy trembled, heat building and swelling inside till I was totally exploding.

"*Awww, YES!*" I wailed. Jacob clutched my hips. Ali thrashed beside me.

Ali and Drake had drifted closer. From the corner of my eye, it looked like Drake was on his back and Ali was crouched between his legs, sucking his dick. I loved that Ali and I were, like, total blowjob twinsies!

They crept closer. Jacob's cock was still crammed down my throat when I felt Drake's fingers drift over my forehead. He grabbed a handful of my hair and pulled. Not too hard, though. It felt good. My pussy gushed—could I be any wetter?

"Let's all fuck," Jacob said. Drake pulled my hair harder.

We arranged ourselves so that Jacob and Drake were side by side. (Not too close, though—that would be way gay. Men together are gross!) Ali and I climbed onto our guys and slid their cocks in. I thrust hard, squeezing my pussy around Jacob's fat dick. I watched as Ali bounced on

"Me too," she cried, tossing her hair. "Here I go, oh God, *YEAHHH!*"

Jacob pulled out just in time to shoot a hot load on my belly. It splattered hard against my skin. I watched as Drake flipped Ali onto her back and jizzed all over her tits. She rubbed his cum into his skin, her face beaming.

We all passed out right there under the stars. It was the greatest night. Coming in the grass, outside in the firelight—it can't be beat. Now I'm back in big, bad L.A., but I totally miss Jacob and the beautiful Oklahoma country. I'll go back and visit soon, or maybe Jacob will come see me. Or not. I don't know if I was special to him or not. I just know that he reminded me how much I need a big, strong man. I hope I can find a special one someday, all for me. ★

TEEN QUEEN
OF THE MONTH

NADIA

photography by mark II for digital desire

Hey, it's Lindsey. Our new Teen Queen of the Month is totally gorgeous but so serious. I had to convince her to be in BARELY LEGAL!

"I thought I would feel silly posing all like, 'Look at me. I'm so hot.'" explains Nadia. "But *omigod*, Lindsey, you were right—I've never been so turned on!"

You're welcome!

Describe yourself in one word: Overanalytical. Or is that two words?
Believe it or not: I used to be super self-conscious about my pussy when I was younger. I'd see other girls' coochies in the gym locker room and be like, Why don't their lips stick out? But now I love my pussy. It's mine, and it's different. Also, there's more for guys to lick.)
Ideal guy: Someone who likes to sit around and drink wine and talk about philosophy.
Biggest turn-on: A hard cock. Even if I think I'm not in the mood, if you take your dick out and it's already hard? And it's for me? I just start gushing into my panties.
Biggest turn-off: Selfishness.
Fave method of masturbation: Fingers. I love to touch myself. It's a great stress reliever.
Fave sex activity: I love any and all sex activity. It's the only time I can put my brain on hold.
Secret sex talent: Well, it's not really a talent, but my pussy is really tight. That's what guys say, anyway.
Spit or swallow: I've always just automatically swallowed. Do girls really spit?
Fave sex position: Missionary. I like to watch the guy's cock slide in and out between my lips.
Best way to come: Go down on me hard—like, really suck me down there. I lose my mind every time.
Ultimate goal: I want to keep modeling and maybe even try acting. BARELY LEGAL has opened up a whole new world for me!★

AMBER SUN
redheads
have more fun

photography by sage chicks

Hey, it's Lindsey. People are always saying that blondes have more fun. They obviously haven't met college freshman Amber!

Hey, Amber! Do you like posing nude?
Yes. It makes me feel naughty.
What do you think is your best physical feature?
My legs, because they are long and thin.
Do you ever flash it in public?
I enjoy exposing myself in public. It's funny to see people's reactions.
Do you always wear panties?
I try to wear panties all the time, but sometimes I forget.
What was it like losing your virginity?
It was very awkward and painful in the beginning, but it got much better toward the end. I would rate my first time a seven.
How often do you masturbate?
I use my vibrator every day.
Do you like giving head?
I love it. It turns me on, and it's fun.
Do you spit or swallow?
I swallow. I think it's gross when you spit it out. I hate seeing cum on the floor.
Do you like to get your pussy eaten?
I love it! It feels amazing!
What's your favorite sexual position?
Doggy-style is my favorite. It feels the best, and it's one of the easiest.
How do you like to be fucked?
I like crazy, rough sex with hair pulling. That's what really gets me going.
Do you like anal sex?
No. It hurts!
Where do you like a guy to come?
I like when guys come in my mouth or on my lower stomach.
Are you bisexual?
Yes. My best time with a girl was when I had a threesome. She was hot, and it was awesome to hook up with a girl and a guy at the same time.
What kind of girls do you like?
I like girls with huge tits and long hair.
What kind of guys?
Bad boys. They're sexy!
Have you ever had sex in public?
Several times. There were a few times I had sex behind a bank. There was this old man standing there. I'm pretty sure he saw.
What is the naughtiest thing you've ever done?
I played with this guy's dick while my friend's mom drove us somewhere.
What's the best way for a guy to pick you up?
Just walk up and talk to me. I'm a nice girl. I don't bite.
What's your ultimate fantasy?
A threesome on the beach with a guy who drives a loud, sexy car and a girl with big boobs.
What's the absolute best sex you've ever had?
Doggy-style on the floor in my parents' house. I orgasmed so many times, I couldn't even walk. It was hilarious!

Hooray. Tiffany is back! We just couldn't get enough of this Sunrise, Florida, cutie in our April 2010 issue, so we asked her to *please* take more pictures. Tiff was happy to do it, even though she's super busy juggling college (she's a sophomore now!) and her job at a water park. In other news, the naughty 19-year-old recently discovered the secret to having orgasms: "Get a good guy who knows what the heck he's doing!" Tiffany is still single (how is that even possible?), but says she'd be an awesome girlfriend 'cause "I make everything fun and interesting no matter what I'm doing or who I'm with, and I'm easy to get along with." One thing has changed: Tiff's *old* fantasy was to have sex on a waterslide. Her *new* one is to "have sex on a raft in the middle of a lake." Congratulations, Tiffany—you made us wet again. —*photos by friend*

"The thought of guys looking at me is awesome," confesses newly legal Heidi of Santa Monica, California. It's awesome for the people doing the looking, too! This "spontaneous, outgoing, mischievous" hottie definitely has an exhibitionist streak—she once "had sex on the beach with a crowd looking on!" Heidi's an "aspiring journalist/club reporter" who spends her free time swimming, hiking and surfing. Sexually speaking, her fave position is doggy-style because she "likes having somebody behind me looking at my ass," and she says the best way to have an orgasm is "going slow at first then increasing the pounding." Heidi's only flaw, in our humble opinion? She's straight. But—she admits that she *does* fantasize about having a threesome with "both genders." There's hope for us yet!

VICTORIA
doin' what comes naturally

Hello there! Marissa the intern here. Victoria is a down-to-earth country girl with a kinky competitive streak. She can hog-tie a calf or make a guy come in eight seconds flat!

Hey, Victoria! What do you do for fun way out there in Wyoming?
I like working on my dad's ranch. Hiking. camping. Fishing. Basically, I love being outdoors.
Do you like getting naked outdoors?
I love it! It feels natural to me, being naked in the middle of nowhere like this.
Do you ever masturbate when you're out here?
Of course! If I'm naked and no one's touching me, I'm going to be touching myself

What's your favorite sex position?
Not cowgirl! LOL! I like doggy-style, really hard.
Are you bisexual?
Yeah. I love girls. I love sharing guys with girls.
Have you ever had a threesome?
Not exactly. But I like to have handjob contests with my best friend. We'll each jerk a guy off and see who's the best at it.
Really? How can you tell who's better?
The guys are the judges. But it would be, like, who can make him come faster, who can make him come the most—stuff like that.
You ever cheat and use your mouth?
That will get you disqualified! Of course, sometimes it's worth it. ;)
Do you like giving head?
I love it! But I'm not as competitive about it. I like to take my time.
Where do you like a guy to come?
I like it on my boobies. They're a big target!
I'll say! Do you like it when boys stare?
Yeah. I love feeling wanted. I didn't always have big boobs, so...it's good to know I can turn guys on.
I notice you don't shave your pussy. Why is that?
I like having bush. I'm not a little girl anymore. I'm a woman now—and proud of it!

EMMA
butt sex
101

Hi, I'm Allie. I was a BARELY LEGAL fan way before I became an intern, and I totally remember Emma from the June 2009 issue. She's an inspiration to me and girls everywhere!

Hey, Emma! How was your first year of college?
So awesome. I met tons of cool people.
Did you go out with a lot of guys?
I wouldn't say a lot. Maybe six or seven?
Do college guys pressure you into having sex?
Not really. If anything, I pressure them! I love sex. It's all part of having a grown-up relationship.
What's the wildest sex you had?
I had sex with a girl at a party. We were feeling silly and horny, and we started making out, and, next thing I know, I'm licking pussy for the first time. LOL.
Are you now bisexual?
I'm not sure—but I would definitely hook up with a girl again. This girl was totally bi, and she really knew what to do with her tongue down there.
Are you still into butt sex?
Yes! In fact, it's kinda gotten around the dorm that I'm into it. Girls come to me for sex advice.
Do you tell them they should have butt sex?
No, it has to be their decision. But I tell them how awesome it is and how it doesn't hurt if you do it right and how you can even come in your butt. That really blows their minds!
So, did any of them try it after talking to you?
A few of them did. Of course they loved it. Duh.
You're, like, a professor of butt sex.
Ha-ha, yeah. I'll be teaching the course again this fall. Sign up *now*!★

BARELY LEGAL: IT BARELY FITS

★★★★

Hustler Video. Directed by Richard de Montfort; starring Misty Rivers, Riley Rey, Ami Jordan, Natalie Norton, Anita Blue, Holly Fox, Nicki Hunter, Marco Banderas, Lee Stone, Chris Charming, Pike Nelson and Justin Long.

Tight teen pussies and ginormous cocks go together like peanut butter and jelly in BARELY LEGAL. *It Barely Fits*. There's a lot of fresh, new hotties in this movie, and they are hungry for man meat—big, super hard slabs of man meat. I mean, these are some of the hugest cocks I've ever seen in my life, and every single girl is like, "I got it!" So brave! But they don't have to go it alone. Mature porno ladies like Anita Blue and Nicki Hunter are on hand to cheer on some of the more nervous girls, like Natalie Norton and Ami Jordan, who freeze like deer in the headlights when they first glimpse the giant boners they have to squeeze into their poor little pussies. Nicki even brings her 18-year-old cousin Holly Fox into the fold—talk about a family business! There's no butt sex—I think some of these girls would, like, literally explode—but there's lots of really naughty sex going on. If you like hot young blondes, tight coochies and hard poundings—I know, that's a *big* if LOL!—then BARELY LEGAL. *It Barely Fits* will be your new favorite movie of all time.

Good thing Ami did her Kegels!

Misty's all, "Don't even think about going near that butthole!"

That's a little too much for Natalie to swallow.

Have a seat, Holly.
